The changes must reasonably and conscientiously be viewed as being in fulfillment of the original scope of the contract rather than as departing therefrom. Further, the changes, when viewed against the background of the work described in the contract and the language used in the specifications, must clearly be directed either to the achievement of a more satisfactory result or the elimination of work not necessary to the satisfactory completion of the contract.

(3) *City standard, single-source and sole-source commodities or services.* City standard, single-source and sole-source commodities or services are exempt from this section.

(4) *Disaster preparedness.* Contracts for and purchases of commodities or services that are made in contemplation and preparation for and in response to the occurrence of a natural or man-made disaster or civil unrest, where time or availability rather than price is the controlling factor, are exempt from this section.

(5) *Utilization of other governmental agencies' contracts.* Commodities or services that are the subject of contracts with the state its political subdivisions or other governmental entities including the United States government, are exempt from this section, provided, however, that this division shall apply only if the contract expressly permits or if the awarding jurisdiction and/or the vendor agree to allow the city to purchase therefrom and if either: (i) the commodities or services are the subject of a price schedule negotiated by the state or federal government or by competitive bid by another governmental agency and not on any preference; (ii) or the price offered for the commodity or service exactly equals or is lower than the governmental contract from vendors awarded the governmental contract. Where an award is made pursuant to this paragraph, the terms and conditions agreeable to the city may be used in lieu of those terms and conditions of the contract with the other governmental agency.

(e) Advertising for the purpose of public notifications;

(f) Utilities including but not limited to electric, water and communications;

(g) The foregoing enumeration of services deemed to be exempt from the competitive procurement requirements is not intended to be an exhaustive or exclusive list. (h) Copyrighted materials, except computer software; and/or

(i) Food, clothing and other promotional items purchased for resale or distribution to the public.

(8) *Best interest of the city.* Purchases of and contracts for commodities or services are exempt from this section when the City Commission declares by a simple majority affirmative vote that the process of competitive bidding and competitive proposals is not in the best interest of the city. The City Commission shall make specific factual findings that support its determination, and such contracts shall not be placed on the City Commission consent agenda.

(D) Any other provision of this section to the contrary notwithstanding, city purchasing shall be conducted in accordance with applicable state law, including F.S. §§ 180.24 and 255.20, as may be amended from time to time.

The City Manager shall have the discretion to waive the performance bond requirement in the event of an undue hardship or emergency. Any bonding company used must be listed on the United States Department of the Treasury's *Circular 570*. (F) *Rejection of bids.* The City Manager and City Commission may reject any bids, parts of all bids or all bids for any one or more commodities or services included in the proposed contract when the public interest will be served thereby. The Chief Procurement Officer shall not accept a bid from a contractor who is in default on the payment of taxes licenses or other moneys due the city.

(G) Contracts shall be awarded to the lowest responsive, responsible bidder. In determining the "lowest responsive, responsible bidder," the Chief Procurement Officer shall consider:

(2) The ability, capacity and skill of the bidder to perform the contract or provide the service required;

(3) Whether the bidder can perform the contract or provide the service promptly or within the time specified, without delay or interference;

(4) The character, integrity, reputation, judgment, experience and efficiency of the bidder;

(5) The quality of performance of previous contracts of services, including, but not limited to, city contracts;

responsive, responsible bidder, a determination and findings statement shall be prepared by the Chief Procurement Officer and filed with the other papers relating to the transaction.

(I) *Tie bids.*

(1) If the determination of lowest responsive, responsible bidder results in a tie, the contract may be split when it is to the city's advantage as determined by the Chief Procurement Officer.

(2) If the Chief Procurement Officer determines not to split the bid, the contract shall be awarded by first preference to businesses with drug-free workplace programs as described in § 35.30 and then by publicly drawing lots.

(J) *Prohibition against subdivision.* No contract of purchase shall be subdivided to avoid the requirements of this section.

(K) *Inspection of bids.* Inspection of the city's formal bids and proposals shall be conducted in accordance with applicable state law, including F.S. Ch. 119, as said statutes may be amended from time to time.

(Ord. 1409, passed 6-19-02; Am. Ord. 1684, passed 3-16-11)

§ 35.20 COMPETITIVE NEGOTIATIONS.

When the use of competitive bidding is not in the best interest of the city for a purchase of, or contract for, commodities and/or services estimated to cost in excess of \$25,000, the commodities and/or services may be purchased by competitive negotiations. A request for proposals or a request for qualifications, or a request for letters of interest shall be issued. Adequate public notice of the solicitation shall be given in the same manner as provided in § 35.19. Other procedural provisions applicable to the sealed bid process shall also apply. To assure full understanding of and responsiveness to the solicitation requirements and full understanding of qualified proposals or offers, discussions may be conducted with qualified proposers or offerors who submit responses determined to be reasonably acceptable of being selected for award for the purpose of clarification and to assure full understanding of, and responsiveness to, the solicitation requirements. The respondents shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of responses, and such revisions may be permitted through negotiations prior to award for the purpose of obtaining best and final proposals or offers. The award shall be made to the responsible proposer or offeror whose proposal or offer is determined to be the most advantageous to the city taking into consideration price and the evaluation factors set forth in the solicitation. No other criteria shall be used in the evaluation. A summary of the basis on which the award is made shall be included in the contract file.

(Ord. 1409, passed 6-19-02; Am. Ord. 1684, passed 3-16-11)

in § 35.18, shall not require advance City Commission approval. In such emergency situations, the City Manager may approve the purchase or contract, subject to later ratification by the City Commission. Emergency purchases are to be made only when the normal function and operation of the city would be hampered to such an extent by submittal of a requisition in the usual manner that it may effect the life, health or convenience of citizens.

(2) Purchases exceeding the sum of \$75,000 in the aggregate shall not be purchased from the same person or entity during the course of any fiscal year, unless the purchases are first authorized by the City Commission. The above provision shall not apply to purchases of utilities or to ongoing contracts.

The debarment shall be for a period of not fewer than three years. The City Manager shall also have the authority to suspend a contractor from consideration for award of city contracts, if there is probable cause for debarment pending the debarment determination. (5) Debarment or suspension of the person or entity by any federal, state, or other governmental entity;

(6) False certification pursuant to division (C) below; and/or

(7) Any other cause judged by the City Manager to be so serious and compelling as to affect the responsibility of the person or entity performing city contracts.

§ 35.36 LOCAL VENDOR PREFERENCE.

(A) For the purpose of this section, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

LOCAL BROWARD COUNTY VENDOR. A business entity which has maintained a permanent place of business with full-time employees within the Broward County limits for a minimum of one year prior to the date of issuance of a bid or proposal solicitation. The permanent place of business may not be a post office box. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Broward County or the city within Broward County where the business resides.

LOCAL PEMBROKE PINES VENDOR. A business entity which has maintained a permanent place of business with full-time employees within the city limits for a minimum of one year prior to the date of issuance of a bid or proposal solicitation. The permanent place of business may not be a post office box. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the City of Pembroke Pines.

(B) Process.

(1) Competitive bid. For bid evaluation purposes, vendors that meet the definition of local Pembroke Pines vendor, as defined herein, shall be given a 5% evaluation credit. This shall mean that if a local Pembroke Pines vendor submits a bid/quote that is within 5% of the lowest price submitted by any vendor, the local Pembroke Pines vendor shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the local Pembroke Pines vendor submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the local Pembroke Pines vendor. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a local Pembroke Pines vendor, the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

(2) For bid evaluation purposes, vendors that meet the definition of local Broward County vendor, as detailed herein, shall be given a 2.5% evaluation credit. This shall mean that if a local Broward County vendor submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the local Broward County vendor shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the local Broward County vendor submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the local Broward County vendor. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a local Pembroke Pines vendor, the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

(3) If there is a local Pembroke Pines vendor and a local Broward County vendor participating in the same bid solicitation and both vendors qualify to submit a second bid as detailed above, the local Pembroke Pines vendor will be given first option. If the local Pembroke Pines vendor cannot beat the lowest bid received by at least 1%, an opportunity will be given to the local Broward County vendor. If the local Broward County vendor cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder regardless of geographic location of the business.

(4) If multiple local Pembroke Pines vendors submit bids/quotes which are within 5% of the lowest bid/quote, then all vendors will be asked to submit a best and final offer (BAFO). The award will be made to the local Pembroke Pines vendor submitting the lowest BAFO providing that that BAFO is at least 1% lower than the lowest bid/quote received in the original solicitation. If no local Pembroke Pines vendor can beat the lowest bid/quote by at least 1 %, then the process will be repeated with all local Broward County vendors who have submitted a bid/quote which is within 2.5% of the lowest bid/quote. If no local Pembroke Pines vendor and no local Broward County vendor can submit a BAFO that is at least 1% lower than the lowest bid/quote submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of geographic location of the business.

(C) Competitive proposal. For evaluation purposes, local Pembroke Pines vendor and local Broward County vendor shall be a criterion for award in any Request For Proposal unless specifically exempted by the City Manager or the City Commission.

(D) Exceptions.

(1) No local vendor preference will be included in any competitive solicitation where the city is the lead agency for the Southeast Florida Cooperative Purchasing Group;

(2) Utilization of a state or other agency contract;

(3) State or federal law prohibits the use of local preference;

(4) The work is funded in whole or in part by a governmental entity where the laws, rules, regulations or policies prohibit the use of local preferences;

(5) Sole source or single source purchases;

(6) The local vendor is either non-responsive or non-responsible;

(7) All bids submitted exceed the budget amount for the project;

(8) Emergency purchases;

(9) The City Manager and/or the City Commission may exempt any competitive solicitation from the local vendor preference.

(Ord. 1707, passed 10-19-11)

§ 35.37 MILITARY VETERAN'S PREFERENCE.

(A) For the purpose of this section, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

VETERAN OWNED SMALL BUSINESS. A business entity which has received a Determination Letter from the United States Department of Veteran Affairs Center for Verification and Evaluation notifying the business that they have been approved as a veteran owned small business (VOSB).

(B) Process.

(1) Competitive bid. For bid evaluation purposes, vendors that meet the definition of veteran

owned small business, as defined herein, shall be given a 2.5% evaluation credit. This shall mean that if a veteran owned small business submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the veteran owned small business shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the veteran owned small business submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the veteran owned small business. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder IS a local Pembroke Pines vendor or a local Broward County vendor as established in § 35.36 of this Code, entitled "Local Vendor Preference", then the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

(2) If there is a local Pembroke Pines vendor, a local Broward County vendor, and a veteran owned small business participating in the same bid solicitation and all three vendors qualify to submit a second bid as detailed above, the local Pembroke Pines vendor will be given first option. If the local Pembroke Pines vendor cannot beat the lowest bid received by at least 1%, an opportunity will be given to the local Broward County vendor. If the local Broward County vendor cannot beat the lowest bid by at least 1%, an opportunity will be given to the veteran owned small business. If the veteran owned small business cannot beat the lowest bid by at least 1%. then the bid will be awarded to the lowest bidder.

(3) If multiple veteran owned small businesses submit bids/quotes which are within 2.5% of the lowest bid/quote and there are no local Pembroke Pines vendors or local Broward County vendors as described in § 35.36 of this Code, entitled "Local Vendor Preference", then all vendors will be asked to submit a best and final offer (BAFO). The award will be made to the veteran owned small business submitting the lowest BAFO providing that that BAFO is at least 1% lower than the lowest bid/quote received in the original solicitation. If no veteran owned small business can beat the lowest bid/quote by at least 1%, then the award will be made to the lowest responsive bidder.

(C) Competitive proposal. For evaluation purposes, veteran owned small business shall be a criterion for award in any Request For Proposal unless specifically exempted by the City Manager or the City Commission. The criterion amount shall be 2.5%.

(D) Any business claiming veteran owned small business cannot also claim local vendor preference as described in § 35.36 of the this Code entitled "Local Vendor Preference".

(E) Exceptions.

(2) Utilization of a state or other agency contract;

(3) State or federal law prohibits the use of veteran owned small business preference;

(4) The work is funded in whole or in part by a governmental entity where the laws, rules, regulations or policies prohibit the use of veteran owned small business preferences;

(5) Sole source or single source purchases;

(6) The veteran owned small business is either non-responsive or non-responsible;

- (7) All bids submitted exceed the budget amount for the project;
 - (8) Emergency purchases;
 - (9) The City Manager and/or the City Commission may exempt any competitive solicitation from the veteran owned small business preference.

§ 35.38 BID PROTEST PROCEDURES.

(A) Upon completion of the evaluation of all bids for a particular procurement, the Purchasing Manager shall issue a notice of bid/proposal action. This notice, containing the date and time of issuance, shall be posted on the city website and on the Internet bid service websites named in the bid documents.

(B) A bidder with a “substantial interest” who has been adversely affected by the city’s selection of a bidder may protest the selection by complying with the requirements set forth herein. A bidder shall be deemed to have a “substantial interest” if the bidder would have been selected as the lowest responsive and responsible bidder but for the alleged mistake or irregularly described in the protest. If the Purchasing Manager determines that a bidder does not have a “substantial interest,” that bidder is precluded from bringing a protest pursuant to this section.

(C) A bidder wishing to object to terms, conditions, specifications, procedures, selection criteria, weight of evaluation criteria or other matter set forth in the bid or proposed documents must make such objections in writing during the period of time set forth for questions and answers in the invitation to bid, request for proposal, request for qualifications or request for letters of interest. A bidder who has not raised such objections in writing during the question and answer time may not use the bid protect process to object to these matters once a notice of bid/proposal action has been posted.

(D) A bidder may file a “Notice of Intent to Protest” by emailing said notice to the Purchasing Manager within two business days of the issuance of the notice of bid/proposal action pursuant to division (A) or the publication of a City Commission agenda recommending the award of the bid, whichever is sooner. Such notice of protest shall include the bid or proposal number and title, the name and address of the protester, and a brief statement as to the basis of the protest.

(E) The complete written protest must be filed with the Purchasing Manager within ten calendar days of the issuance of the notice of bid action. To be considered, the written protest must include:

- (1) Bid or proposal number and title;
- (2) Company name, protester’s name and title, physical address of protester, and email address of protester;
- (3) The facts and law upon which the protest is based; and grounds not stated shall be deemed waived;
- (4) Rules, regulations or statutes pertinent to the protest;
- (5) Relief which the protester seeks;

(6) Any other information that the protester deems to be material to the protest; and

(7) A bid protest bond in the form of a certified check, cashier's check, or money order made payable to the City of Pembroke Pines in an amount equal to 5% of the protester's bid or \$5,000, whichever is less. If the protest is upheld by the city, the bond will be refunded to the protester. If the protest is denied, the entire bond amount shall be forfeited to the city.

(F) Upon receipt of a timely filled and complete formal written protest, the Purchasing Manager shall stay the award of the purchase order or contract until the protest is resolved, unless the Purchasing Manager determines in writing that compelling circumstances exist which require that the award be processed without further delay, in order to protect the city's interest or for the purpose of avoiding an immediate and serious danger to the public health, safety or welfare.

(G) After receipt of the timely filed and complete written protest, and upon the protester's request, the Purchasing Manager shall meet with the protester to discuss the allegations and to attempt to resolve the matter. The Purchasing Manager shall issue his or her decision on the protest within 14 calendar days of the meeting, or if no meeting is requested, within 14 days of receipt of the timely filed and complete written protest. Such decision shall be e-mailed to the protester on the date of issuance unless otherwise directed by the protester.

(H) The protester may appeal the decision of the Purchasing Manager to the City Manager by filing a written appeal with the City Clerk's office within three business days of issuance of the Purchasing Manager's decision. The appeal must be in writing and must include a full explanation of the basis of disagreement with the decision rendered by the Purchasing Manager, as well as the relief sought. The City Manager shall overturn the selection if the protester proves that the selection did not comply in material respects with the requirements contained in the invitation to bid, request for proposal, request for qualifications or request for letters of interest; with this procurement code, or with Florida law. The decision of the City Manager shall be final. The City Manager's decision shall be e-mailed to the protester on the date of issuance unless otherwise directed by the protester.

(I) Failure by a bidder to comply with the timelines and requirements set forth herein shall result in an immediate invalidation and termination of the protest and a waiver of the right to seek further redress or to appeal the alleged adverse action in a court of law.

(J) Any and all costs incurred by a protesting party in connection with a protest pursuant to this section shall be the sole responsibility of the protesting party.

(Ord. 1772, passed 4-9-14)

§ 35.39 CITY CONTRACTORS PROVIDING EQUAL BENEFITS FOR DOMESTIC PARTNERS AND ALL MARRIED COUPLES.

(A) *Contractor offering benefits.* Except where federal or state law mandates to the contrary, a contractor awarded a contract pursuant to a competitive solicitation shall provide benefits to domestic partners and spouses of its employees, irrespective of gender, on the same basis as it provides benefits to employees' spouses in traditional marriages.

(B) *Definitions.* For purposes of this section only, the following definitions shall apply:

(1) **BENEFITS.** The following plan, program or policy provided or offered by a contractor

to its employees as part of the employer's total compensation package which may include but is not limited to sick leave, bereavement leave, family medical leave, and health benefits.

(2) **CASH EQUIVALENT.** The amount of money paid to an employee with a domestic partner or spouse in lieu of providing benefits to the employee's domestic partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee for his or her spouse from a traditional marriage.

(3) **COVERED CONTRACT.** A contract between the city and a contractor awarded subsequent to the date when this section becomes effective valued at over \$25,000 or the threshold amount required for competitive bids as required in § 35.18(A).

(4) **DOMESTIC PARTNER.** Any two adults of the same or different sex who have registered as domestic partners with a governmental body pursuant to state or local law authorizing such registration, or with an internal registry maintained by the employer of at least one of the domestic partners. A contractor may institute an internal registry to allow for the provision of equal benefits to employees with domestic partners who do not register their partnerships pursuant to a governmental body authorizing such registration, or who are located in a jurisdiction where no such governmental domestic partnership registry exists. A contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by the city.

(5) **EQUAL BENEFITS.** The equality of benefits between employees with spouses and/or dependents of spouses and employees with domestic partners and/or dependents of domestic partners, and/or between spouses of employees and/or dependents of spouses and domestic partners of employees and/or dependents of domestic partners.

(6) **SPOUSE.** One member of a married pair legally married under the laws of any state within the United States of America or any other jurisdiction under which such marriage is legally recognized, irrespective of gender.

(7) **TRADITIONAL MARRIAGE.** A marriage between one man and one woman.

(C) *Equal benefits requirements.*

(1) All solicitations for covered contracts which are issued on or after the effective date of this section shall include the requirement to provide equal benefits in the procurement specifications.

(2) Certification of contractor. As part of the competitive solicitation and procurement process a contractor seeking a contract covered by division (A) of this section shall certify one of the following:

(a) Contractor currently complies with the requirements of this section;

(b) Contractor will comply with the conditions of this section at the time of contract award;

(c) Contractor will not comply with the conditions of this section at the time of contract award; or

(d) Contractor does not need to comply with the conditions of this section because of an allowable exemption and indicates the exemption as part of the certification.

The certification shall be in writing and signed by an authorized officer of the contractor. Failure to provide such certification shall result in a contractor being deemed non-responsive.

(3) The City Manager or his/her designee shall reject a contractor's certification of compliance if he/she determines that such contractor discriminates in the provision of benefits or if the City Manager or designee determines that the certification was created, or is being used for the purposes of evading the requirements of this section.

(4) The contractor shall provide the city and/or the City Manager or his/her designee, access to its records for the purpose of audits and/or investigations to ascertain compliance with the provisions of this section, and upon request shall provide evidence that the contractor is in compliance with the provisions of this section upon each new bid, contract renewal, or when the City Manager has received a complaint or has reason to believe the contractor may not be in compliance with the provisions of this section. Records shall include but not be limited to providing the city and/or the City Manager or his/her designee with certified copies of the contractor's records pertaining to its benefits policies and its employment policies and practices.

(5) The contractor must conspicuously make available to all employees and applicants for employment the following statement:

"During the performance of a contract with the City of Pembroke Pines, Florida, the Contractor will provide Equal Benefits to its employees with spouses, as defined by Section 35.39 of the City's Code of Ordinances, and its employees with Domestic Partners".

The posted statement must also include a city contact telephone number and email address which will be provided to each contractor when a covered contract is executed.

(D) *Exceptions and waivers.* The provisions of this section shall not apply where:

(1) The contractor does not provide benefits to employees' spouses in traditional marriages;

(2) The contractor provides an employee the cash equivalent of benefits because the contractor is unable to provide benefits to employees' domestic partners or spouses despite making reasonable efforts to provide them. To meet this exception, the contractor shall provide a notarized affidavit that it has made reasonable efforts to provide such benefits. The affidavit shall state the efforts taken to provide such benefits and the amount of the cash equivalent. Cash equivalent means the amount of money paid to an employee with a domestic partner or spouse rather than providing

benefits to the employee's domestic partner or spouse. The cash equivalent is equal to the employer's direct expense of providing benefits to an employee's spouse;

(3) The contractor is a religious organization, association, society, or any non-profit charitable or educational institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society;

(4) The contractor is a governmental agency;

(5) The contract is for the sale or lease of property;

(6) The covered contract is necessary to respond to an emergency;

(7) The provisions of this section would violate the laws, rules, or regulations of federal or state law (for example, F.S. § 287.055, Consultants' Competitive Negotiation Act);

(8) The provisions of this section would violate or be inconsistent with the terms or conditions of a grant or contract with the United States or the State of Florida; or

(9) Upon a majority vote, the City Commission may waive compliance of this section under the following circumstances:

(a) Where only one solicitation response is received and the sole bidder does not comply with the requirements of this section.

(b) Where more than one solicitation response is received, but the responses demonstrate that none of the proposers can comply with the requirements of this section and one or more of the solicitation responses received would otherwise have been responsive if compliance with this section would not have been listed as a requirement in the solicitation specifications.

(c) Where the bid price or proposal price as submitted by the lowest responsive bidder which complies with the requirements of this section is at least 5% greater than the lowest bid or proposal submitted by the bidder which does not comply with the requirements of this section but would otherwise have been responsive if compliance with this section would not have been listed as a requirement in the bid specifications.

(d) Best interest of the city as determined by the City Commission.

(E) *Contracts.* Every covered contract, unless otherwise exempt from this section, shall contain language that obligates the contractor to comply with the applicable provisions of this section. The contract shall include provisions for the following:

(1) The contractor certifies and represents that it will comply with this section during the entire term of the contract.

(2) The failure of the contractor to comply with this section shall be deemed to be a material breach of the contract, entitling the city to pursue any remedy stated below or any remedy provided under applicable law.

(3) The city may terminate the contract if the contractor fails to comply with this section.

(4) The city may retain all monies due or to become due until the contractor complies with this section.

(5) The contractor may be subject to debarment or suspension proceedings. Such proceedings will be consistent with the procedures in this chapter.

(F) *Applicable dates.* This section shall be applicable to contracts awarded pursuant to competitive solicitations issued after the effective date of this section. (Ord. 1797, passed 11-5-14)
