

Aim: High Level of Learning Enhanced Customer Satisfaction Effective Use of Resources (administrative focus)

Results (Current Conditions): : Family and Community Engagement - We need to actively ensure that all families are welcome members of the classroom and school community, and can contribute to the effectiveness of the classroom, school and community.

Goal & Measure: We need to build a strong school culture among families and school professionals.

Leadership (Who is Responsible?) Site Supervisor and Teachers.

Processes/Human Resources What do we need to do?	Timeline <i>When will it be Accomplished?</i>	Leadership <i>Who is Responsible?</i>	Measures <i>How will we know these are successful?</i>	Dates Of Review
Administrators and teachers will increase their outreach to parents. To achieve better attendance (over 50% in all classes) at the 3 parent meetings throughout the school year. To have better engagement with the parents, especially within the 2 year old class in order that we can support their parenting skills.	June, 2016	Administration and teachers	Parent and teacher surveys	July, 2016
Staff will work with parents to disseminate information, and provide a communication link between home and school assisting them in supporting their children's learning	June, 2016	Administration and teachers	Attendance at 3 meetings: Orientation in August AdvancED Meetings VPK 3 year old meeting in February Kindergarten Round-up in April	July, 2016
