

**Aim:**  High Level of Learning  Enhanced Customer Satisfaction  Effective Use of Resources (administrative focus)

**Results (Current Conditions):** School website must be kept current with photo gallery pictures showing visually what we do in our preschool.

**Goal & Measure:** Include photo gallery pictures on website. Visitors to our website can see pictures of children participating in the activities that we offer at our school. A picture is worth a thousand words!

**Leadership (Who is Responsible?)** Program Coordinator, teachers

<b>Processes/Human Resources</b> What do we need to do?	<b>Timeline</b> <i>When will it be Accomplished?</i>	<b>Leadership</b> <i>Who is Responsible?</i>	<b>Measures</b> <i>How will we know these are successful?</i>	<b>Dates Of Review</b>
Teachers will take pictures of children participating in various activities in the classroom.	June, 2016	Program Coordinator Teachers	Pictures can be seen when you open the website	June, 2016
