Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Consolidated Plan, a five year strategic plan, is meant to address the needs of low and moderate income persons and families, including homeless individuals. The Consolidated plan establishes the City's program priorities, goals, and objectives for its community development programs and sets the framework for subsequent one year action plans that describe specific activities that will be funded through the City's grant programs.

The City of Pembroke Pines became an entitlement grantee of federal funds in 1993, since then the City has been receiving Community Development Block Grant (CDBG) funds. Since 1993, the City has also received substantial funds from the State Housing Initiative Partnership Program (SHIP), and beginning in 2004 has been receiving funds from the Home Investment Partnership (HOME) program, as a participating member of the Broward County HOME Consortium.

For the program year beginning October 1, 2021, the City of Pembroke Pines anticipates receiving an estimated \$1,002,361. All proposed activities' budgets will be proportionally increased or decreased from the estimated funding levels to match actual allocation amounts. In order for the City to receive this allocations of funding from HUD, the City must prepare and adopt a Consolidated Plan and One-Year Action Plan. The Consolidated Plan is a five year strategic document that outlines an entitlement community's housing and community development priorities and objectives for carrying out HUD Programs. The One-Year Action Plan includes the budget and action steps to meet the objectives fo the Consolidated Plan. The City is expected to carry out a wide range of community development activities directed toward maintaining the City's affordable housing stock, sustaining neighborhoods, providing improved community facilities and public services, and promoting economic development.

The City of Pembroke Pines continues to maintain its communities through implementing appropriate strategies and by utilizing its Consolidated Plan, the City's Comprehensive Plan, Capital Improvement Plan (CIP) annual budgeting process, special redevelopment studies, grants, and intergovernmental possible through fact finding, survey of service providers, a review of existing programs, interdepartmental consultation, and last but not least, citizen participation.

Substantial Amendment:

The City of Pembroke Pines is amending its Annual Action Plan to reallocate funds in the amount of \$1,115,366.60 from prior years (2015-2019) activities to fund Public Improvements/Public Facilities as it pertains to the Southwest Focal Point Senior Center and Senior Residences.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The five-year strategic plan outlines in the City's Consolidated Plan provided for assistance to low-and moderate-income persons and households as a number one goal. The City met this goal through the following activities:

Minor Home Repair/Residential Rehabilitation

- Removal of Architectural Barriers
- Public Service (Senior Center Transportation)
- Neighborhood Stabilization
- First Time Homebuyer Purchase Assistance

These activities were funded in part or in whole by the CDBG, SHIP and HOME grant programs.

For Program Year 2021 the City proposed to assist residents under the various housing rehabilitation programs:

- Home Repair Activities Proposed:
 - Planned Schedule of Services: MHR - 3-4
 - Actual Performance: MHR 7 (0 CDBG, 6 SHIP, 1 HOME)

The City of Pembroke Pines has assisted 3 Households with Purchase Assistance in PY 2019 with SHIP funds. Through the City of Pembroke Pines Public Service (Senior Transportation) program, the City

assisted 633 senior citizens in PY 2019. The City fell short of its goal during PY 2019 due to the COVID 19 Pandemic but will continue to promote the program among the City's diverse population.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

According to federal regulation 570.431, applicants for federal funds, including entitlements jurisdictions, must develop a Citizen Participation Plan (CPP). the CPP sets forth the City's policies and procedures for

- 1) Giving citizens timely notice and access to local meetings and information relating the City's proposed used of federal funds
- 2) Providing technical assistance
- 3) Conducting public hearing meetings
- 4) Addressing the needs of non-English speaking residents
- 5) Responding to citizen complaints and grievances
- 6) Encouraging citizen participation among the City's low and moderate-income persons and households.

The City of Pembroke Pines had an existing CPP from prior plan submissions. The CPP was reviewed and utilized during the 2020-2024 consolidated planning processes. A draft of the Consolidated Plan was made available for public review before being adopted by the City's Commission and subsequently being submitted to HUD.

Citizens are encouraged to participate in the planning process through public hearings held before the development of the Consolidated Plan draft and before the adoption of the Consolidated Plan. Provisions for non-English speaking persons and the disabled were also made available for those persons who requested it.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

As part of the 2020-2024 Consolidated Plan, agency providers in Broward County were consulted to gain a better understanding of what services they provide to Pembroke Pines Residents. Agencies were asked to describe what services, if any, are provided to the key target groups addressed in the Consolidated Plan. The needs assessment of the Consolidated Plan incorporates the findings from the consultation.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The list of providers reviewed includes housing, social service agencies and other entities, including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS, and their families, and homeless persons. Phone and email contacts were also made to key non-profits and agencies that work with these specific groups to obtain a better understanding of their service or potential service to Pembroke Pines residents.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Pembroke Pines is a member of the Broward County Continuum of Care (COC) and is part of the year round local planning effort and network to alleviate homelessness in Broward County. The City participates in quarterly meetings that are held to obtain input from local municipalities. In May, the Broward County Homeless Initiative Partnership, which staffs the COC efforts, released data to the City for 2018 Point-In-Time Count.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

ESG funding is administered by the City of Fort Lauderdale.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

Below is a list of federal, state and local (public and private resources) that are reasonably expected to be available during this Consolidated Plan.

The City of Pembroke Pines anticipates receiving \$1,017,132 for FY 2021-2022 CDBG program. As a recipient of CDBG, HOME and SHIP funds, the City of Pembroke Pines intends to allocate funding according to priority need. The City proposes to use CDBG funds for Residential Rehabilitation, Public Service (Senior Transportation), Public Facilities & Improvements, and Program Administration.

The City of Pembroke Pines is amending its Annual Action Plan to reallocate funds \$1,115,366.60 from prior years (2015-2019) activities to fund Public Improvements/Public Facilities as it pertains to the Southwest Focal Point Senior Center and Senior Residences.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local

funds), including a description of how matching requirements will be satisfied

Federal funds will be used to leverage other resources available to extend the level of assistance the City can provide or scope of project that can be undertaken. The City currently does not have any funding source that requires matching.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

All City-owned inventory has been mapped as part of the State's requirement that the City maintain a printed inventory of locally-owned land suitable for affordable housing. The several parcels of land that the City owns are committed to public use, such as parks; undevelopable, such as streets or landscape buffers; or lack the proper zoning. Therefore, it has been determined that they are not suitable for affordable housing. Annually the City commission will review the inventory of City-owned lands and their suitability for use as affordable housing.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of Pembroke Pines must focus its CDBG funded community development strategies in areas eligible for area wide assistance. The City takes an integrated approach to addressing these needs.

CDBG funds are used to support ongoing neighborhood planning, redevelopment, and public improvement programs already being implemented by the City. High priority, unmet needs will be the focus of the City's CDBG funds. The long term community development goal of the City is to create a sustainable environment and the short term goal is to arrest decline and address unmet needs.

The low to moderate income estimates provided by the Census estimates the overall low to moderate income population represents a small portion of the City's population. Because of the smaller low to moderate income population, compared to other cities, or lack of concentration of majority low to moderate income households, the City is referred to as an exception grantee. For Program year 2017,

census tract block group with at least 45.92% concentration of low to moderate income households qualify for CDBG assistance to benefit area wide activities such as public facilities and infrastructure improvements.

In PY 2021, the City will utilize CDBG funds to continue to address public infrastructure projects in Pembroke Pines, in addition, the City will continue to provide public support to the senior transportation program.

Funds are allocated according to the identified needs of the population that are eligible for CDBG funding.

During the next year, actions taken that will meet underserved needs include the use of CDBG dollars to fund the following activities; Residential Rehabilitation, Public Services, Fair Housing, Public Facility.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

In October 2018, the City of Pembroke Pines appointed the Affordable Housing Advisory Committee (AHAC). The AHAC identified improvements needed to the housing delivery system, with particular emphasis on the provision of affordable housing to very low and low-income households. Recommendations were subsequently adopted as part of the City's Local Housing Assistance Plan (LHAP).

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Below are the 2018 AHAC's recommendations.

- A. Continue to maintain the current expedited permitting process for affordable housing projects in the City including an audit of existing process.
- B. Create mandatory affordable housing final contribution requirements for all new residential projects using the historic voluntary commitment standards.
- C. Continue to support the strategy and allocation of flexible units for affordable housing projects. AHAC to support an update to the 2014 Munitytics housing study.
- D. Continue to maintain adequate infrastructure level for sustaining existing and emerging affordable housing developments.
- E. Support the Planning and Zoning Board in their research of micro-units and live/work units.
- F. Continue to favorably consider applications for parking and setback variances and/or continue to favorably consider applications for parking and setback variances and/or modifications to parking and setback requirements within planned districts, where reasonable, for projects with affordable housing component.
- G. Continue to encourage flexibility in use and, where appropriate, support rezoning applications for PD-SL, PUD, and MXD districts establishments within the purpose for inclusion of affordable housing element.
- H. Continue to support allowance of street modifications, for affordable housing projects, where reasonable. Consider allowance of sidewalk placement only on one side of the road, reducing the cost while ensuring safety and walkability.

I. Continue to maintain an on-going process to consider, before adoption, policies, procedures, ordinances, regulations, or plan provisions that increase the cost of affordable housing.

J. Continue to perform analysis of properties for potential affordable housing development along with updating the City's vacant land map.

K. Continue to support implementation of projects with affordable housing component in close proximity to transit hubs, major employment centers and mixed-use developments. Continue to diversify employment opportunities within the City, attracting new businesses into the area that would offer higher-quality jobs.

ADDITIONAL AHAC RECOMMENDATIONS 2018

1. City Staff received a request from Miami Jewish Health Systems to develop affordable housing project for senior citizens-Douglas Gardens Senior Housing. The developer proposes to build a new multi-family development of at least 100 apartment units for affordable senior rental housing to be known as Douglas Gardens IV with restrictions on the incomes and rents on the parcel. The applicant is requesting City support for the application through a conditional loan commitment of \$656,000, the loan commitment is considered "Local Government Area of Opportunity Funding".

AHAC supports an allocation of some or all of \$336,000 from Affordable Housing Trust Fund to help Douglas Gardens Senior Housing meet the City commitment. The City Commission previously approved a request for the application through a conditional loan commitment of \$656,000.

2. AHAC encourages engagement of major employers and anchor institutions to encourage programs to support creation of affordable housing.

3. AHAC supports the City in its efforts to diversity employment opportunities within the City, attracting new businesses into the area that would offer higher-paying jobs.

4. AHAC recommends promotion of education programs that incorporate housing-related financial counseling services, providing advice on buying a home, renting, defaults, financial counseling services, providing advice on buying a home, renting, defaults, foreclosures, and credit issues.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The following section identifies other actions that will be undertaken during the 2021-2022 program year.

Actions planned to address obstacles to meeting underserved needs

One of the major obstacles the City of Pembroke Pines faces in meeting its housing and community development goals and objectives is funding and market conditions. In trying to mitigate the impacts of the global economic downturn, the City has been assessing its programs more frequently and improving specific strategies to address those needs.

The City will continue to provide housing rehabilitation programs which will also include residences connection to the city's main sewer collection lines for low to moderate income persons, including elderly and disabled households.

Actions planned to foster and maintain affordable housing

The City of Pembroke Pines Planning & Economic Development Department, in addition to other City Departments, serves as the lead agency responsible for implementing the City's 2021 Action Plan and CDBG program in general. These departments administer and implement the City's various community planning housing development and public service programs.

The City will also collaborate with outside agencies, including but not limited to the Broward County Continuum of Care and local housing authorities. The City contracts with a private firm to administer and monitor it's housing and community development programs for compliance with federal and state regulations. These entities are also inclusive in the development of the 2020-2024 Consolidate Plan and subsequent Action Plans.

The City will continue to promote partnerships and develop ways to streamline and efficiently provide services to the community.

Actions planned to reduce lead-based paint hazards

Participant property owners are notified of the hazards of lead-based paint and of the symptoms associated with lead-based contamination. The City further prohibits the use of lead-based paint in any federally funded construction or rehabilitation project. The City shall either perform paint testing on the painted surfaces to be disturbed or replaced during rehabilitation activities, or presume that all

these painted surfaces are coated with lead-based paint.

Actions planned to reduce the number of poverty-level families

The City of Pembroke Pines economic development/anti-poverty strategy is to foster growth and job creation for the City's broad cross-section of resident income levels, including very low income households. The City's anti-poverty strategy is to increase job training, employment readiness skills and educational opportunities for low income households, and match employment opening with local workforce.

The City's anti-poverty strategy will assist small business development through activities such as commercial rehabilitation, job incentive programs, technical assistance and business planning and marketing directed towards job creation.

Actions planned to develop institutional structure

The City of Pembroke Pines has competitively procured professional services for planning, administration and implementation of its Community Development Block Grant (CDBG) program. State Housing Initiative Partnership (SHIP) program, HOME Investment Partnership (HOME) program, Neighborhood Stabilization Program (NSP) and related programs. The consultant will have the primary responsibility of overseeing the implementation of the strategies defined in the 2021 Action Plan. The consultant will also be responsible for maintaining and improving the institutional structure necessary to carry out the City's Consolidated Plan. As part of the planning process, a list of the area's private industries (businesses) non-profit organizations and public institutions were identified as resources that may be available to assist with carrying out the strategies indicated in the Consolidated Plan. The different entities will be utilized as necessary for various housing, community and economic development strategies and other priority needs.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Pembroke Pines Planning & Economic Development Department serves as the lead agency responsible for implementing the City's 2021 Action Plan and CDBG program in general. These departments administer and implement the City's various community planning, housing, development and public service programs. The City will also collaborate with outside agencies, including but not limited to the Broward County Continuum of Care and local housing authorities. The City contracts with a private firm to administer and monitor its housing and community development programs for compliance with federal and state regulations. These entities are also inclusive in the development of the 2020-2024 Consolidated Plan and subsequent Action Plans. The City will continue to promote

partnerships and develop ways to streamline and efficiently provide services to the community.
