

Sewer Credit Request

The city of Pembroke Pines allows for a partial sewer credit if you had a plumbing leak that was repaired. To see if you qualify, wait until you receive the Utility bill that reflects the high usage. Submit a copy of repair bill that reflects repair date, your name, service address, company name, address, phone #, detailing what work was done to fix the leak. If you did the work yourself, submit a copy of dated receipt for the material/supplies purchased and include a full description of the work that was completed, including the completion date. Once your request has been reviewed you will be contacted. If you have any questions, please contact Utilities Customer Service at (954)518-9000.
