Event Details

For those who've always been curious about what it's really like to be up close to a large vehicle, this event is the perfect activity. The Touch-A-Truck Vehicle Expo is great for all ages. Those in attendance will have the opportunity to get up close and explore, climb and touch trucks, emergency response vehicles, heavy machinery, construction vehicles and all sorts of other equipment used for transportation. Guests will also get a chance to meet the personnel who serve and protect the community, including Fire and Police Officers.

A hands-on learning experience, guests will be able to ask questions and experience what the vehicles are truly like. An added bonus is also having the opportunity for one-on-one interaction with local and national transportation representatives.

Hopping into the driver's seat and sitting behind the wheel, honking a horn and exploring a vehicle is a fun and educational experience not to be missed. **Admission and parking are free. For more information, please call 954-392-2116 or visit www.ppines.com/specialevents.**
