## Opening Reception at Studio 18 “Born of Earth and Sky” Aug. 15th

**Pembroke Pines, FL (July 28, 2025)** -- Join us for the opening reception of Born of Earth and Sky: Palette Knife Perspectives on Florida’s Fragile Ecosystems, the newest exhibition at the Studio 18 Art Complex. This is a free public event being held on August 15, 2025 from 7PM-9PM at the Studio 18 Art Complex located at 1101 Poinciana Drive.

### Exhibit Details

All ages are welcome to come and immerse themselves in a world of vibrant colors and textures created by the talented **Palette Knife Artists of Miami**. Through vivid, textural paintings created solely with palette knives, this exhibition explores the delicate beauty and environmental urgency of South Florida’s ecosystems. Featuring evocative works of mangroves, coral reefs (both thriving and bleached), birds, turtles, and butterflies, the show invites us to reconnect with the wild and reflect on what’s at stake in a changing climate.

This is a great evening of art, conversation, light refreshments, and live music as we celebrate creativity, community, and the power of art to inspire environmental awareness. Admission and parking are free.

***Exhibition will be on display at Studio 18 from August 15th to October 30th, 2025.***
