These monies provide scholarships for high school graduates, teacher scholarships for advanced degrees, and Employee of the Year bonuses for instructional and non-instructional employees in the Pembroke Pines Charter School System.

In 2011, the Foundation revised the Articles of Incorporation with approval from the Internal Revenue Service, to allow financial contributions to the Pembroke Pines Charter Schools. The Foundation is supported entirely by generous contributions from individuals, businesses and granting organizations. The Foundation also hosts fundraising events annually that help to provide funding for Foundation programs.
